

Intelligence Renaissance Industries

Our Capital Plan

Our Company is raising \$36 Million for its present business of BioProt, MedAtrium, Eyrie, VESID and OASIS. This capital is being offered with equity and debt financing terms that are highly attractive and appropriate for 2020 and the coming socioeconomic waves and tsunamis that are inevitable but which Intelligent Sponsors, Investors and Partners can sustain, and very well so, by being with IRI.

We Are Your Best OPTION in the entire Financial Trading World for TODAY and Long-Term, Very-Long-Term TOMORROW

This capital is for the following:

§ 1 – **Health In Your Hands** – Global Visibility, Attention, Awareness, Action – a campaign for mass-media worldwide, all forms and venues, all media, all variations and methods.

§ 2 – **Amazon Warriors** - Precision Marketing and Sales of BioProt, MedAtrium, Eyrie, VESID and OASIS – for the deliverable products TODAY and for those coming in 2021. This marketing campaign is run by the **Twelve Top Women in the World** in Marketing for What is Good for People and their Families and Communities. Each “Warrior” is addressing a Major Market Sector – USA (hospitals), USA (schools and universities), USA (civic and state agencies), Mexico, Spain, Brazil, The Islamic World, Africa, Professional Sports (worldwide), Public Transportation, Automotive, and Restaurants.

§ 3 – **BioProt-Sustain** – Product operations support for current contract initiatives and the major programs underway.

§ 4 – **MedAtrium-Operate** – Operations for four (4) MedAtriums under IRI control for USA, EU, Africa, and Asia.

§ 5 – **Eyrie-Distribute** – Server and content expansion and integration into every major and medium-scale social communications network on the Planet.

§ 6 – **VESID-Prove** – Phase-2 Research – In Vitro Experimental Proof with SARS-CoV-2 (COVID-19).

§ 7 – **OASIS-Deliver** – Content development and support for world-wide release and direct growth of global user-base among people previously using the limited and restrictive social networks like Facebook, Twitter, LinkedIn and others.

§ 8 – **MIRNOVA Corporate Responsibility** – The essential actions of giving and sharing what we know, produce, and empower, to people worldwide, especially through the integrated online and onsite programs using our Corporate Home in USA and the Mirnova “floating MedAtrium” facilities.
